FAQs

What is Middle School Youth Day?

Middle School Youth Day is an event geared towards grades 6-8th grade Catholic youth community that many times is forgotten. This event will be a celebration of our Catholic community and faith.

What will we do on this day?

A variety of activities that include: worship, prayer, games, topics, and speakers that are relevant to our Middle School Catholic community.

Will Sunday mass be offered?

No, please plan to attend Mass on Sunday on your own; however a Liturgy will be celebrated at Knott's Berry Farm as part of the event.

How do we register?

Registration is done by parish and is completed online: www.regonline.com/msyd2019. The registration deadline is January 25th, 2019.

What if I want to go to the event and not go to the park? Or what if I have an annual pass?

You are able to buy a limited amount of event-only tickets for \$45.00, please let us know when you register.

Can pre-teens attend without supervision? Do they have to go with a parish?

The Diocese exists to support parish/school/group life, so we hope any of the three will be responsible for any minor attending this event. It is highly recommended to register through the local parish, which will be responsible to supervise and *chaperone the students. If this is not the case, please call and we can answer any questions on an individual basis.

Please ensure that all minors have a signed permission and release form and that enough fingerprinted and safe environment chaperones are present with minors during the event.
