Trauma-Awareness Symposium

WELCOME

Greetings,

Thank you for your interest in being a sponsor for our first ever **Help with Heart: Trauma-Awareness Symposium!** The Diocese of Orange has been committed to mental health and has worked with other faith leaders across Orange County to continue to dialogue and develop resources for support for those who struggle with mental health concerns, and their families and caregivers. Guided by faith and empowered by understanding, this unique cross-training opportunity is designed for leaders, ministers, teachers, and anyone who encounters individuals who have experienced trauma.

A number of our parishes have active mental health ministries and we continue to network with the Association of Catholic Mental Health Ministers, the USCCB, CCUSA Whole Hearted Trauma Resource, and local agencies and partners to enhance this work of caring for the whole person- in body, mind, and spirit.

With 3.186 million people in Orange County and 1.3 million Catholics, there is an immense opportunity to prepare and connect on this important topic for our neighborhoods, churches, and communities. As the Trauma Informed Care Implementation Resource Center states, “Individuals can build trauma-informed...care organizations that create safe, caring, inclusive environments for all...” We hope that this one-day symposium will create the initial steps in moving towards our parishes, Diocese, and broader community becoming aware of the integral aspects of accompaniment and support in relation to crises, tragedy, and trauma that may occur in those we serve.

Your sponsorship of this event makes a difference as the first step in creating a culture of care. We thank you for your consideration and potential contribution to this life-giving approach and look forward to your partnership.

God Bless You!

FREQUENTLY ASKED QUESTIONS

WHEN AND WHERE IS THE EVENT TAKING PLACE?

Saturday, March 14th from 8:30am-4:30pm at Christ Cathedral campus.

HOW WILL MY SPONSORSHIP HELP?

Your sponsorship helps keep overhead costs low for attendees, ensuring equitable access so that cost is not a deterrent for attendance among our ministers and community members. This ensures this vital information can be accessed more widely and impact even more lives. Your sponsorship also demonstrates the commitment of your organization/agency in supporting the work of mental health resources and education.

WHY HOST A TRAUMA-AWARENESS SYMPOSIUM?

Trauma impacts all of us. It is estimated that approximated 70% of adults have experienced at least one traumatic event in their lifetimes and over two-thirds of children report experiencing at least one traumatic event by age 16. We hope to equip our parishes, leaders, and communities with foundational awareness to be able to best respond and support in a trauma-informed way.

HOW DO I GET MY EVENT PARTICIPANT CONFIRMATION?

You will be contacted with a confirmation for participant instructions and added to the registration check in list at the event.

WHAT ARE THE DEADLINES FOR SPONSORSHIP?

We ask that all sponsors/vendors contact us by February 20, 2026 and complete the designated forms distributed upon initial outreach by March 1, 2026.

ARE THERE OPPORTUNITIES FOR IN-KIND DONATIONS?

Yes! We welcome in-kind donations such as food, beverages, event materials, or items for participant bags. If you're interested in donating products or services to help make this event possible, please contact rfreeman@rcbo.org for more information.

HOW DO I SIGN UP TO BE A SPONSOR?

You can submit your commitment online via jotform, or contact Rebecca Freeman at rfreeman@rcbo.org for more information.

You will be contacted ahead of the event to fill out any necessary vendor/exhibitor forms.

THANK YOU

We appreciate your time and consideration in supporting this special event. Your generosity helps bring our community together for an opportunity to share and learn together as we grow in caring for the whole person.

Whether through sponsorship or in-kind donations, your support makes a meaningful impact.
