MISSION STATEMENT: The Life Center of Santa Ana is a Catholic religious nonprofit organization dedicated to advancing the culture of life by building Christ-centered relationships with those at risk for abortion and providing the real support needed to be empowered to choose life.

GUIDING PRINCIPLES: The Life Center of Santa Ana is faithful to the Magisterium and Catechism of the Catholic Church and committed to the protection of all human life, in and through the intercession of the Blessed Virgin Mary.

DESCRIPTION: Trained in Heartbeat International's LOVE Approach and the Sisters of Life *Into Life Series*, the Client Advocate (CA) provides accurate pregnancy options information to those at risk for abortion, both by phone and in person. The CA forms Christ-centered relationships with women facing difficult pregnancies and helps them identify and resolve challenges in a life-affirming way, empowering them to choose life.

The CA also helps lead and support the Life Center's weekly parenting programs, including Baby Basics and Mommy & Me, as well as the First Thursday Luncheon and Walking With Moms & Dads program. She encourages teen and young adult mothers to participate, builds meaningful relationships with them, and helps create a welcoming environment where they receive practical support, encouragement, and community as they grow in their parenting. Through these relationships and programs, the CA helps women and their families grow in faith, strengthen their families, and work toward flourishing families rooted in Christ.
