AN OASIS OF PEACE AND CALM PERMEATES THE HOUSE OF PRAYER, A RETREAT CENTER IN BEAUTIFUL ORANGE COUNTY SPECIALLY DESIGNED FOR PRIESTS WHO NEED TIME AND SPACE TO REST, PRAY AND REJUVENATE.
AN OASIS OF PEACE FOR PRIESTS

Every priest knows in his heart that Jesus came into his life one day and invited him to be His friend and to share in His mission. Fidelity to this friendship calls for openness to His love, personal and creative response, and quality time together. Jesus reappears and asks, “Do you love me?” Over and over again, we respond: “Lord, you know everything; you know I love you.” And He responds: “Then follow me.”

PRIVATE ROOMS FOR PRIESTS TO BREATHE

Recreation at the House of Prayer is available to all priests from any diocese for daylong or weeklong retreats, either singly or in small groups. Spiritual directors who speak different languages are available for those who need them.

PRIVATE RETREATS FOR PRIESTS TO BREATHE

The House of Prayer is designed in spare Southwestern style, surrounded by plants indigenous to California. A peaceful entrance fountain evokes the healing water of the Holy Spirit. And eight private hermitages with bathrooms, bedrooms and private patios offer the solitude necessary for rest and prayer.
RELAX IN THE COMPANY OF SPIRITUAL COMPANIONS
The demands of our society, the complexity of our times, and our many pastoral demands sometimes necessitate a space for reflection and discernment, as well as the physical, emotional and spiritual rest required to revive oneself within the loving presence of spiritual companions.
